

History of the GIS World, Part 1:

A look at the History of GIS in Film and Television

Gene Del Greco GIS Manager
KE McCartney and Associates

Todd Tucky Owner- Senior
Consultant Heartland GIS

2013 GIS-T Symposium

May 5-8, 2103 | Boise Center | Boise, Idaho

History of the GIS World, Part 1:

A look at the History of GIS in Film and Television

1. Genesis of Presentation
2. Scope of Presentation
 - Clips showing early examples and predictive examples of Geospatial Technology in film and Television
 - Clips showing interesting ways maps are typically presented in movies, “Movie Tropes”
 - Clips showing actual historical developments of GIS (Harvard Labs).
3. Educational presentation showing the links between film and GIS technology. Fair use policy.
4. Credits at end of video

2013 GIS-T Symposium
